## Annual Meeting of Baseball Club

### Public to Attend Start of Season Monday Night

Narberth's baseball activities for 1924 will have their official beginning Monday night. The first meeting of the year has been called for that time by President Robert J. Nash of the Narberth Baseball Club.

The meeting, which is a public affair, will be held at 8.15 in Mr. Nash's office. Every fan is invited to be on hand to give his help in getting things started.

The election of officers is the main business of the evening. In accordance with the custom established last year, the annual meeting is open to all, and a big attendance is expected.

Another question to be decided is Narberth's participation in the Main Line League. The League has been organized for the year, and Narberth has been included; the meeting Monday will finally decide whether the local club will participate. Plans will also be drawn up for Twilight ball, which drew great crowds last year.

The games this year will probably be played on the new Playground. According to statements by those in touch with the work of getting the plot in shape it will be ready for the first game on May 17th when Wayne comes to Narberth.

Baseball in Narberth is purely a community enterprise and the whole community contributes to the success of the team by their attendance and membership in the Club. A large attendance is urged for Monday night.

### League All Set

Everything is a-jake for starting off the Main Line League baseball season of 1924 on May 17. Wayne will open at Narberth; Berwyn at Bala-Cynwyd, and Paoli at Oakmont.

Ardmore finally decided not to enter the league this year and Johnny Numan and Jim Barrett, two live-wire fanatics, were granted a franchise for Oakmont, over in Haverford township, just outside of Ardmore. This action was taken on Monday night at a league meeting held at the Wayne Men's Club. Paoli, Berwyn, Wayne, Narberth and Bala-Cynwyd make up the well-balanced circuit.

After considerable pressure had been brought to bear upon him, Bob Edgar, our Narberth horticulturist, consented to take the presidency again. Other officers were elected as follows:

First vice president, James F. Barrett, Ardmore; second vice president, Grover C. Thompson, Bala-Cynwyd; third vice president, George Isinger, Paoli; secretary, Charles C. Shoemaker, Wayne; treasurer, Jesse E. Lewis, Berwyn; chief of umpires, William G. Ferguson, Wayne.

The territorial limits were fixed practically the same as last year, with some extensions to Bala-Cynwyd and Paoli.

An Arbitration Board to whom disputes will be referred for settlement was named as follows: William H. Reap, head of the Pennsylvania Boxing Commission; Stoney McLinn and Doc Brandt of the Philadelphia Public Ledger sports staff.

Dues and forfeit money for the entire season must be in the hands of the treasurer by May 10.

The clubs were represented by the following: Paoli, Walter Hanley; Berwyn, Phil Pyott; Wayne, Nick Doran; Oakmont, Johnny Numan and Jim Barrett; Narberth, President Edgar; Bala-Cynwyd, George Nellings.

Now let's all get together behind the boys, and boost!—not knock!

### PROGRESS OF ZONING

That the Zoning Commission recently appointed by Council is doing its work thoroughly and carefully is shown by the fact that they have held 5 meetings of over four hours each, going into the many complicated phases of the problem with care and enthusiasm.

The last of these meetings was held Wednesday night, when Chairman Robert J. Nash entertained his colleagues at supper at the Union League, in conference with an expert from Philadelphia. That session, which lasted from 6 to 12 P. M. resulted in the report being completed and polished off, and it is now ready to present to Council.

The report will be turned in at the regular meeting of Council Monday night, an ordinance will be drafted and a public hearing called. The sentiments of the Commission have been unanimous on the scope of the zoning law, and it is believed that the plan will afford thorough protection without making any drastic rulings.

## Facts On Election Are Furnished

### Women Voters Issue Information on Primary

The League of Women Voters will hold its April meeting on Monday, April 14th, at 2.45 P. M., in the Y. M. C. A.

All women, whether members or not, are earnestly urged to attend this meeting in an effort to obtain information pertaining to the offices and candidates to be nominated or elected at the coming primary, April 22. A brief parliamentary drill will also be given by Mrs. E. C. Batchelor. The League is being urged by the National Organization to have 100% of the registered voters vote at this election. Narberth had about 2400 registered men and women in 1923, but less than 33 1/3% voted in Sept. In order to obtain the desired 75% Narberth voters will have to come out 1000 stronger than in the primary of last fall.

Will you help and be one of the 1,000? Elsewhere in these columns is printed information as to the offices to be filled at this election, and in the next issue will appear the names of the candidates for the respective vacancies.

Members and friends are again reminded of the platter supper to be held in the League House, 1725 Spruce St., beginning Monday, April 14 until 15 inclusive. Price for entire course inclusive of supper will be \$3.75 or \$1.00 for a single reservation. Mr. Franklin Spencer Edmunds, member of the State Legislature, Mrs. John O. Miller, State chairman, Benjamin H. Ludlow, Member of State Legislature from Montgomery County, Roland S. Morris, late Ambassador to Japan and Thos. Raeburn White, distinguished exponent of better politics, will be the speakers for this course.

Make your reservations promptly. Following is a list of offices to be filled and the requirements of each. This information has been collected by the League and is very complete.

### Primary, April 22, 1924

State and National Officers to be nominated and duties involved: Judge of Superior Court—Elected by the direct vote of the people. Term—10 years. Salary—\$16,000. President Judge received \$17,600. This court is composed of seven judges. It has original jurisdiction in the more serious criminal cases appellate jurisdiction in cases coming up on appeal from the county courts. It has to do, however, more with cases of dollars and cents, rather than with human life.

The sessions are held at Scranton, Harrisburg, Pittsburgh and Philadelphia. A man for this office must be of unimpeachable integrity, whose interest

### ANOTHER DANCE

The Entertainment Committee of the Tennis Club have put forth every endeavor and effort to make the monthly club dances everything to be desired. The music has been fine, the hall prettily and attractively decorated, served an excellent punch each time, and none better than these little get-together parties are run anywhere along the Main Line. The next party on Saturday, April 26th, holds many innovations however. An entirely new scheme of decorations will be noted, favors will be given, and the orchestra will be that famous "University Five" from Penn. Friends of the members are invited and tickets will be mailed as usual. Any members desiring invitations mailed to their friends will please phone Narberth 1772 and cards will be forwarded promptly. Lent will be a thing of the past on the 26th and a large attendance is expected.

### LOSES BOTH PARENTS

Mr. B. F. Livingston, of Essex Avenue, was called to Duquesne, Pa., last week by the serious illness of his mother. While he was there his father, Mathias Livingston, died from worry over his wife's illness.

Mrs. Elizabeth Livingston died on Wednesday of this week, ten days after her husband's death. The funeral was held yesterday. A daughter, Mrs. Grace Hauk, who is herself seriously ill, has not yet been told of her parents' death. The deceased couple had many friends in Narberth, having visited their son on many occasions.

## The FIRESIDE

Mrs. Lizzie E. Thompson, with her two sons Finley and Earle, and sister Emma Pattison, have moved recently from Hampden Ave. to their new home at 604 Montgomery Pike.

Mr. R. D. Thomas, of Woodside Avenue, was in Richmond, Va., this week on a business trip.

Mr. E. C. Griswold, of Chestnut Avenue, is in New Orleans on business, expecting to return next week.

Mr. and Mrs. Leigh Durham, of 471 Brookhurst Ave., gave a "500" and Mah-Jong party Saturday night. The guests included Mr. and Mrs. H. E. Maherry, Mr. and Mrs. Harry Watermore, Mr. and Mrs. Chas. Vanderveer, Mr. Glen Durham and Mr. James Durham, from Philadelphia; Mr. and Mrs. H. M. Alexander, Mr. and Mrs. Geo. Miller, Mr. and Mrs. W. A. Kelly, Mr. and Mrs. L. R. Manchester and Mr. and Mrs. Harry Roser and Mr. D. A. Daley from Narberth.

Mr. and Mrs. J. E. Bailey, Jr., and family, formerly of 160 Merion Avenue, have taken up their residence at 511 Old Lancaster Ave., Haverford.

The Women's Home Missionary Society of the Methodist Church will meet at the home of Mrs. Aldine Siler, 308 South Narberth Avenue, on Thursday afternoon, April 17, 1924, at 2.30 o'clock.

Mrs. H. C. Benno, of Essex Ave., spent last week in Pittsfield, Mass.

Mrs. Walter Crowe, Jr., and her daughter Nancy, of Dudley Avenue, have returned from their recent trip to Baltimore, Md., where they have been visiting Mrs. Crowe's mother, Mrs. Nelson Crane.

Don't forget the cake sale following the meeting of the W. C. C. Tuesday.

The Westminster Circle of the Presbyterian Church met at the home of Mrs. C. H. Brownell, 229 N. Narberth Avenue, on Thursday evening.

The Chorus Choir of the Methodist Church will sing "From Olivet to Calvary," by Maunders, on Sunday evening, April 13th. This cantata is beautiful and inspiring, one of the masterpieces for this season of the year. Maunders' musical interpretation has been a great achievement, and reveals Christ's suffering vividly. To all who come—may you know the Lord better through this great story of His Triumph over sin.

### BOARD MEETS

The budget showing the approximate cost of running the Narberth schools for the coming year was presented by Principal George H. Wilson at the last meeting of the Board. This budget is based on present cost rates and probable future enrollment. This was referred to the Secretary and Treasurer, the Financial Committee to be reported back to the Board at the next meeting.

This budget when approved will determine the tax rate for 1924. Great care is being exercised in making the budget, and economies made seem to indicate that there will be no increase in school taxes. The Financial Committee is making a thorough study of the budget for the past few years. This move will indicate possible other savings, and will be a good step in the direction of high efficiency in school affairs.

### LOTS AND VACANT PROPERTIES SHOULD BE CLEANED UP TOO

Real estate agents having charge of vacant houses and open lots, and individuals who are looking after properties that they own but which are untenanted, are asked by the Borough officials to lend a hand and clean up all such lots and the grounds around the vacant houses. Nothing so mars an otherwise cleanly and neatly kept neighborhood as an uncleaned open lot or vacant property.

To permit such properties to get in bad condition and to remain that way is not fair to the neighboring residents who spend so much time keeping their own places clean and attractive. Moreover, a neglected lot of property doesn't help sell or rent one other property in the same neighborhood, or

in any part of the town for that matter.

For our reactors to clean up the lots and properties is both good citizenship and good business.

So everybody is asked to—Remember—

Next week, April 14-19, is Clean-Up Week—FOR EVERYBODY!

That means—clean up everything, inside and outside the house that in any way increases the ill-health and fire hazards, that in any way mars the cleanly and attractive appearance of our homes and grounds.

Put all "small trash" in boxes, baskets or barrels, and all larger articles that you want to dispose of, out on your regular ash collection day, and place all this trash just where you usually put your ashes. Put your ashes out too, as usual, but don't mix ashes with clean-up trash.

If we the citizens do this, Street Commissioner Supplee and his men will finish the job and do it right.

### MRS. BEAN TO SPEAK

The ever popular speaker, Mrs. George Bean, has been secured for the meeting of the Women's Community Club next Tuesday afternoon. Mrs. C. P. Fowler will also speak, giving some information about the candidates for the coming primaries. There will be a vocal solo by Miss Florentina Mueller and Mrs. J. W. Darville will act as hostess.

After the meeting Mrs. Geo. Gill and Mrs. Ralph Dunne will hold a cake sale, the proceeds of which will go to the Welfare fund.

Last Wednesday and Thursday evenings will linger long in the minds of those Narberthites who attended the Cafeteria Suppers given by the Women's Community Club for the benefit of the building fund. A large crowd turned out on both nights at the Club room in the Y. M. C. A. The tables were charmingly set with tall yellow candles and bowls of vari-colored sweet peas, and the service was both quick and efficient.

On Wednesday night a real home-cooked New England dinner was served which made one forget he or she was on a diet, while on Thursday a demonstration surprise menu delighted even the most critical cooks in our Borough. Mrs. Mueller and her aides also conducted a successful cake sale in the lobby of the building.

Junior Section At Kirkpatrick's, on Essex Avenue, Thursday evening, the Juniors met for the first time within a month. The last regular meeting, scheduled two weeks ago, was dispensed with, and the Juniors attended the party given them that evening by the Senior Club.

In view of this lapse of time, there was much to discuss, although the major portion of the evening was devoted to the garments which are being made for the Visiting Nurses' Association.

The Committee in charge of the Junior play, "The Charm School," which is to be given in Elm Hall on two successive evenings, May 2nd and 3rd, report gratifying progress. The applicants for the large cast required by this play have been carefully tested, recast, and rehearsed by the coach, Mrs. Donnelly, until each person selected actually fits the part for which she is chosen. The acts are rapidly being whipped into shape and the stage manager and her corps of assistants are filled with importance and the strange jargon of "back stage."

Tickets for this play are in the hands of every Junior and the small sum of 75 cents will cause them to change owners. Make it a point to buy your ticket early.

TO BANQUET FIREMEN A banquet in honor of the active members of the Narberth Fire Company will be held on Saturday evening, May 10th at Elm Hall. The affair will begin at 7.00.

Tickets have been mailed to about half the homes of Narberth. The firemen urge that the blanks enclosed be returned promptly, and that other residents, whose names were not on the files of the company, get in touch with Charles V. Noel for tickets. The price will be two dollars.

## Annual Narberth Clean-up Coming Next Week

### Citizens and Borough Officials Working Together for Spotless Town. Junk to be Collected

Are you interested in preserving your own health and that of your family—to say nothing of the health of your immediate neighbors and your fellow Narberthites generally?

Are you anxious to reduce the fire hazard in and around your own home—to say nothing of the rest of the homes in Narberth?

If your answer to any of these questions is "YES," then prepare to take advantage of the opportunity that will be presented to you next week. For next week—April 14 to 19—is Clean-Up Week, and a thorough and successful "clean-up" means, in the plainest kind of English—

A Cleaner Narberth  
A Healthier Narberth  
A Free-from-Fire Narberth  
A More Attractive Narberth  
A Narberth to be More Proud Of  
A Narberth that will be admired by all visitors.

### Your Collection Day Will Be Your Regular Ash Day

To simplify everybody's part in Clean-Up, the Borough officials have made this easy-to-remember arrangement:

Trash will be removed from your property next week on the same day that ashes are regularly collected.

In order that this regular schedule may be maintained Street Commissioner Supplee will have an extra force of men, carts and trucks on duty every day next week.

Place all trash for collection right where you put your ashes, but under no circumstances mix ashes with trash. Small articles should be put in boxes, baskets or barrels.

Burgess Metzger, supplementing the State authorities, appeals to every resident of Narberth to make this coming week the most thorough and successful "clean-up" that we have ever had in Narberth.

This desirable result can be achieved only by each family determining to do the job thoroughly in and around their own home. That simply means gathering up all the odds and ends of useless things—which it is so easy to accumulate, especially in the cellar and "store room," and putting them in boxes and other receptacles for "clean-up"; cleaning up all the trash around your lawn and garage that may have accumulated during the winter and adding these to "four clean-up collection"; cleaning up empty tin cans and other "mosquito breeders"; raking where it is necessary, filling up holes, white-washing and painting where that kind of "cleaning-up" is necessary. In brief, making your home, inside and out, as clean, trim and ship-shape as you are always saying you are going to make it, but neglecting to do to a greater or lesser extent because "there are so many other things to do."

Our health and fire authorities being human just like other folks, know how easy it is to let things accumulate, and that it exactly why they have fixed one particular week out of the whole 52 as "Clean-Up Week."

So let's all co-operate with our Borough officials in making this coming week the best "clean-up" we have ever had. It may mean a little extra work on our part as householders, but it is worth it. The "Week" means a lot of extra work and considerable extra expense to Borough Government, and the least that was residents can do is to do our share as it applies to our own homes.

Real estate agents having charge of vacant houses and open lots, and individuals who are looking after properties that they own but which are untenanted, are asked by the Borough officials to lend a hand and clean up all such lots and the grounds around the vacant houses. Nothing so mars an otherwise cleanly and neatly kept neighborhood as an uncleaned open lot or vacant property.

To permit such properties to get in bad condition and to remain that way is not fair to the neighboring residents who spend so much time keeping their own places clean and attractive. Moreover, a neglected lot of property doesn't help sell or rent one other property in the same neighborhood, or

in any part of the town for that matter.

For our reactors to clean up the lots and properties is both good citizenship and good business.

So everybody is asked to—Remember—

Next week, April 14-19, is Clean-Up Week—FOR EVERYBODY!

That means—clean up everything, inside and outside the house that in any way increases the ill-health and fire hazards, that in any way mars the cleanly and attractive appearance of our homes and grounds.

Put all "small trash" in boxes, baskets or barrels, and all larger articles that you want to dispose of, out on your regular ash collection day, and place all this trash just where you usually put your ashes. Put your ashes out too, as usual, but don't mix ashes with clean-up trash.

If we the citizens do this, Street Commissioner Supplee and his men will finish the job and do it right.

## Rain Fails to Mar Choral Concert

### Large Audience Hears Program at Ardmore

When more than six hundred people braved the worst rain storm of the season to attend the spring concert of the Choral Society at the Ardmore Theatre last Sunday afternoon, it was a fine recognition of the past accomplishments of the organization; and when they generously applauded the various numbers of the program, they expressed their approval of this year's work in very positive fashion. As one member of the chorus put it, "They all deserve to be elected as honorary members for life," for their very presence was a sufficient manifestation of interest.

And just as such a day was "different," so was the concert different from anything ever given by a Narberth organization before. That is no reflection on what has been done in past seasons; rather it is evidence of the fact that the Choral was able to take advantage of its fine early training and with only three months' rehearsing under a new director give a full program of strictly choral music. To go into a detailed description or criticism of each number is not the present intention of this writer, for there were too many in attendance who are more capable of doing so. Yet one should not let the opportunity pass without recording some measure of the inspiration of the "Recessional" and the delightfulness of the negro spirituals. The accompaniment of the pipe organ in the former and the absence of any accompaniment in the latter were both innovations that were received with pleasure. Much has been accomplished which should offer encouragement to the continuation of the good work.

Criticism should always be constructive rather than destructive, and in that light the writer begs to offer a suggestion or two, not being unmindful of a comparatively short period of rehearsals, a new director, and strange surroundings. For the most part the attacks, releases and shadings were all that could be desired; but the Society has not yet outgrown that bad habit of all amateur choruses of watching their music rather than the baton. This was the more noticeable this year, when all but two numbers of the program were given a capella. In the past there has been a piano or orchestra to help mark the rhythm; this year it has had to be provided by the director alone.

For Mr. Bentz and his work, there was naught but praise. In many respects, his position was that of a pioneer. But just as Prof. Nire blazed the way when the Choral Society was

FREE CHRISTIAN SCIENCE LECTURE

First Church of Christ, Scientist, Ardmore, Pa., has arranged for a free lecture on Christian Science to be delivered by Mr. William W. Porter, C. S. B., of New York City, on Sunday afternoon, April 20th, at 3.30 o'clock, in the Ardmore Theatre, Lancaster Avenue, Ardmore, Pa.

Among its many activities, the Mother Church, the First Church of Christ, Scientist, in Boston, Massachusetts, maintains a Board of Lecture-ship, which was inaugurated by Mary Baker Eddy, the discoverer and founder of Christian Science.

This Board, of which Mr. Porter is a member, consists of a group of experienced Christian Scientists who are well qualified to explain just what Christian Science stands for, and to offset any misconceptions of this subject which may seem to prevail.

The lectures are delivered all over the world, and the fact that large numbers of people attend them proves the interest there is in Christian Science today.

The public is cordially invited to be present.

### NARBERTH MAN'S WILL

An estate valued at \$15,000 is bequeathed by the will probated at Norristown Wednesday, of Terence G. Connell, late of Narberth, to his wife Sophia A., and son, Edward H. Connell, both of whom are named executors.

## ABOUT THE GARDEN

April brings the primrose sweet,  
Scatters daisies at our feet.

### Perennials

The flowers that bloom in the Spring, the flowers that bloom in the Fall, Ha, Ha. Here are some that can be moved in the Spring, although it is quite true that most of the desirable perennials and bulbs that make the grand showing in early Summer or late Spring should be planted the previous Fall for Spring bloom.

Aquilegia or Columbine is a perennial, although it is at its best the first and second year from seed. Blooms in May, from 15th to 30th, about 24 inches tall and does well either in sun or shade. Coerulea is blue and white, Chrysanth is golden yellow. Both are long spurred, and other colors or mixed hybrids of a good strain are equally desirable, especially the pink shades, which some growers keep separate. Last year's seedlings can be moved now.

Speaking of perennials that do well in shade or sun reminds us of that very accommodating and desirable plant that does not object to being moved in early Spring—Phlox Divaricata or Blue Phlox. Blooms at the same time as the Columbine and is a fine companion. Get the Perry or Lapham variety if you can. Ten inches tall.

Pyrethrum or Persian Daisy can be moved now and will bloom in June. It will also bloom in September if the faded flowers are picked off. Pyrethrum comes in shades of rose usually, although some rather dark reds are found as well as some pale mauves and a few white. Plants at the nursery are not kept separate, but when you once plant them they stay, and the odd colors can be moved to a corner for cutting. Height, about 18 inches.

Plant Phlox Decussata or Late Hardy Phlox, now for bloom in August, and don't omit the variety Elizabeth Campbell (salmon pin), the other colors are a matter of choice. If you want to do Phlox right plant the white Miss Lingard, the one that blooms in June, in back of the later varieties. No hardy garden complete without flocks of Phlox.

Veronica or Speedwell for a 3-foot spike of blue in August, can be moved now, and we like it because it is just a little like that grandest perennial in the garden—Delphinium. The tall hybrids that grow 5 and 6 feet tall in shades of blue not found in any other flower are surely worth the small price and the little thoughtful care that they require. They can be moved at any time and will bloom regularly at 6 to 8 week intervals if the stalks are cut and two or three leaves left at the base. Put sharp cinders around the crown to keep slugs away from the young shoots.

Good clumps of Tall Bearded Irises with some soil attached can be moved now if handled carefully. These with the Peonies and the Delphiniums are the three "must haves" for the hardy garden.

## TO SING OVER RADIO

The Methodist Church Quartet, under the name of the "Beth Raffan Quartet of Narberth," is going to sing a very attractive half-hour program from Gimbel's station on Saturday evening next, April 19th, from 9.00 to 9.30.

This quartet is composed of Miss Ruth Prescott, soprano; Miss Mary McFall, contralto; Mr. Edward Stanley, tenor; Mr. Julius Braselmann, bass, and will be accompanied by Mrs. Edward Stanley.

The program, which will be made up entirely of negro spirituals and folk songs, is as follows:

Quartet—a. "Swing Low Sweet Chariot" Burleigh  
Quartet—b. "Sinner, Please Doan Let Dis Harves' Pass," Burleigh

Solo—"Hard Trials" Burleigh  
Mr. Braselmann

Quartet—a. "Heav'm, Heav'm," Burleigh  
Quartet—b. "De Colored Band," Tompkins

Duet—"The Pickaninny Lullaby," Stults  
Miss Prescott and Miss McFall

Quartet—"De Old Plantation," Stults

## MAIN LINE MUSIC FESTIVAL IN JUNE

The Main Line will again have the distinction of a large Music Festival to be held on the Bryn Mawr Polo Fields, Saturday evening, June 7th, in aid of the Building Fund of the Seamen's Church Institute. This Music Festival is supported, as in former years, by the most prominent people of the Main Line and Philadelphia, and this year's musicale is planned on a more gigantic scale than the previous ones given. There will be featured a male chorus of 100 voices, 50 members of the Philadelphia Orchestra, the Merriams (Miriam, Irene and Phyllis) in their original drama dances, Renee Thornton (Mrs. Richard Hageman), dramatic soprano, first time in Philadelphia; Mario Basiola, leading baritone of the San Carlo Grand Opera Company.

The entire program will be under the personal direction of one or four own personal direction of one of our own is one of the conductors for the San Carlo Grand Opera Company.

### Important

The Male Chorus will be composed of Main Line talent. Any one desiring to participate make application to Prof. Nice, Narberth 1608, or Mr. Russel A. Cuthbert, Merion 614-R. Applicants must be up to the standard set by Prof. Nice, as there will only be five or six rehearsals for this concert, the first to be held during the week of April 21.

Mr. Harry Heyward, a former resident of Narberth, has accepted the chairmanship of the Chorus in the Wayne section; Mr. Russel A. Cuthbert, ex-treasurer of the Narberth Choral Society, is the Narberth Chairman. The Chairmen representing Ardmore, Bryn Mawr and Paoli will be announced in a later issue.

## SCHOOL NEWS

Editors—Wallace Litchfield, Edwin Speakman, Donald Taylor, Charles Young

Mr. Gregg, the boys physical instructor and baseball coach, has been absent for two weeks.

The students in Miss Jenkins' ninth grade English class are reading some short plays. After they are reported on, six will be selected and given some time in June.

Miss Tyson's ninth grade Latin class is going to give a Latin play. The purpose of the play is to stimulate interest in that course.

On the third of this month a half dozen boys were suspended a day and a half for throwing snow-balls during the lunch hour.

Jack Foster has announced the school baseball schedule. Six games will be played on the following dates: April 25, May 2, 9, 16, 23. The games will be played with Lower Merion Junior High School, Haverford Prep., and the Montgomery Day School. Three will be played at home and the same number played away. In all probability a few practice games will be played in the early parts of some weeks.

Jack Foster has been nursing a badly cut hand as a result of trying to crank an automobile. It is much better, although it is still bandaged.

A great many pupils are out of school with the grip. The changeable weather we had last week is considered responsible for this.

Thirteen out of twenty-five pupils are out of school with various sicknesses. Parents are asked to keep their sick children home so as not to spread diseases.

## MIAMI, FLORIDA, BY RADIO

While "tuning in" last Sunday evening by radio, Bobley A. Warner, of Narberth avenue, heard the sacred concert at Miami, Florida, from Broad-

casting Station WQAM.

They made the announcement that all telegrams received as to reception would be acknowledged with coconut by parcel post.

After sending a message it took just twelve minutes till Mr. Warner heard the message acknowledged over the air, and four days later a fine large coconut arrived with the compliments of Coral Gables Company, of Miami, Florida.

## THE LACONIC DINER

"Pear,"  
"One, sir? They're rather small."  
"Pair."  
"Very good, sir. Shall I serve 'em whole?"  
"Pare."

Representatives in General Assembly (State)—

Elected by direct vote of people in each Assembly District as apportioned by law.

Montgomery County is divided into 3 Assembly or Legislative Districts.

The 1st District comprises Upper Merion, Lower Merion, Bridgeport, West Conshohocken and Narberth, and is entitled to one Representative.

The term is 2 years and the salary is \$2,500.

Duties—

1. Makes laws under which we live—laws controlling education, health regulations, elections, marriage and divorce, and enacts all criminal laws.

2. Regulates taxes, licenses and fees.

3. Sets forth conditions under which contracts of trade are to be made.

4. Grants charters to Municipalities.

5. Grants charters to Railroads.

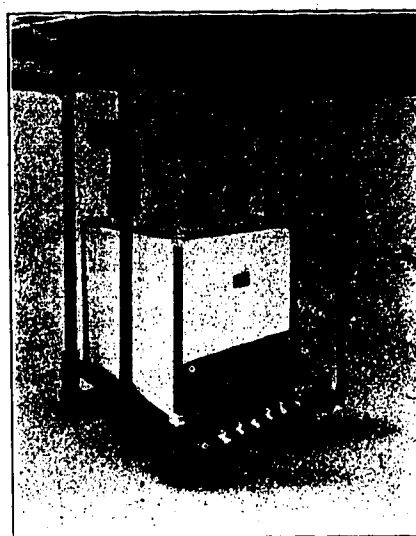

Our Representatives have more control over the individual citizen than any other State Department.

## NARBERTH PROMINENT IN L. M. SPRING SPORTS

Ardmore School Points for Suburban Baseball and Track Laurels

Lower Merion High plans a drive for the Suburban League baseball championship this year, aided greatly by the athletes gained by the absorption of Narberth High. Under the direction of George Fowler, who succeeded Tommy Hewins, the nine hopes to make a record equal to that of the football team.

Frank Forstburg, the football mentor, is coaching the track squad, and also aims at a title.

Fowler has seven 1923 regulars on his squad. Besides these there are a flock of new candidates out, and the moulding of a first-class aggregation should not be the hardest job in the world.

Captain Paul Scull can be used either at third or short. Frank Peabody will be used at second, while the entire outfield, composed of John Petit, Fleming and Foulk, is available. The latter also is a pitcher and will alternate with John Scull. Barr will do most of the catching, though Odiorne also will see some action behind the bat.

The new boys, however, will not be

pushed out of the picture. Gillilan is trying to beat out Paul Scull at third, and Foote is a good prospect at second; Barrel shapes up well at first, while Patten, also from Narberth High, is a good outfielder.

Captain Frank Peterson, of the track team, is looking for an excellent year in the broad jump and javelin throw. He also will run on the relay team again.

Folwell Scull, who is about the best sprinter in the suburbs, is expected to set new marks in the century and far longer. He, too, will be a member of the relay team. Cooper will compete in the same events with Folwell Scull.

Reiss and Turner will be used in the high jump and pole vault, with Lockwood in the mile and Paxson, Kohlbus, Knight and Bullock in the longer distances. Morris will take care of the weight events.

## NOW TREASURER HAUGHEY

Michael F. Haughey, of 203 Forest Avenue, has been elected treasurer of the Catholic Federation of the Archdiocese of Philadelphia.

At the present time Mr. Haughey is also Navigator of the Archbishop Ryan Assembly of the 4th degree of Knights of Columbus.

## FOOTBALL CHANGES

Important Alterations Made in Rules for Coming Season

Four radical changes in the football playing code, all intended to speed up the game and increase its versatility, were adopted last week by the National Intercollegiate Football Rules Committee at its annual meeting.

The abolition of all mud or artificial kicking tees, the advancement of the kickoff from the 10-yard line to the center of the field, an increase from two to five yards of the penalty for excess time out and decision to try for point after touchdowns from the three instead of the five-yard line, were the most important measures approved. A number of others were made to clarify rules often misinterpreted.

Despite a recommendation by the Coaches Association that the rule against the flying tackle be abolished on the ground that it is admittedly seldom enforced, the committee, after a lengthy debate, decided not to do so. It was understood members felt that if bars were let down in this respect it might encourage rougher play.

The elimination of all kicking tees was adopted to place a greater premium on this feature, while the advancement of the kickoff from the 10-yard line to the center of the field was described as a natural consequence of the former rule.

Following is a complete list of the changes:

Dirt or artificial tees for kickoff barred.

Kickoff to be made from midfield instead of kicker's 10 yard line.

Try for point after touchdown to be made from three instead of five yard line.

Penalty of two yards for more than three timeouts per half, increase to five for more than four timeouts per half.

Referee given power to add time used in delaying game to regular period of play.

Defensive player may intercept forward pass after it has touched ineligible player and before it has touched ground.

After player intercepts forward pass which has touched ineligible player, ball may be put in play either at point when intercepting player is downed or at point where preceding play started.

Penalty of 15 yards for ineligible player obstructing progress of defensive player attempting to intercept forward pass.

Officials instructed to assume offensive team in shift play has not come to full stop unless the stop is very apparent.

Referee given greater interpretative powers.

Umpire given power to decide whether cleats or other parts of equipment are unnecessarily dangerous.

Field judge to signal end of game by pistol shot, but play ceases only by referee's whistle.

Referee only official to use whistle.

## PLOT NEAR NARBERTH SOLD

W. Gordon Smith has sold a tract of about 2 acres at Wynnewood, north of Montgomery Avenue, to Albert F. and Henry D. Dagit. The property which consists of four lots facing on Miller's Lane and McClennan's Mill Road, is near the Montgomery Day School and All Saints Episcopal Church. The new owners will develop the ground with four attractive detached residences to sell for about \$20,000 each.

## ANOTHER CELEBRITY

A subject of which Narberth is justified in boasting is the number of high class performers in baseball, football and other athletic sports she has produced, to say nothing of those otherwise prominent in the world of sports, such as coaches, referees, etc., who have chosen the Year Round Home Town as their place of abode. It seems to be in the air, but if the town is boastful, the individuals who have brought honor to it are quite the opposite, displaying a modesty which is to be commended.

Sometimes we need to go a long way from Narberth to find out just what is doing. They never tell it themselves. What prompts these remarks is our having picked up a recent copy of the New Orleans "Picayune," and there, much to our surprise, we found a bold headline, reading: "Man From Narberth Is Now Champion of the Southland." Our eager curiosity was aroused—we should say it was—and on reading further learned that our own Horace McConnell, of Merion Avenue, while attending the convention of the Southern Electrical Jolders at New Orleans had won the \$250.00 silver loving cup from the pick of the golfers of the entire electrical industry. There were 150 contestants. But not one word of this was volunteered by Horace, who reached home two or three days ago. If we hadn't picked up the copy of the "Picayune" quite by accident, the chances are that we would never have known that a name had been added to Narberth's long list of celebrities. We have seen a picture of the cup, but the valuable trophy itself is being suitably engraved and will soon find a place in Horace's trophy room.

We remember that a few days ago word came over the radio that a man by the name of McConnell had won the southern championship, but we never for a moment dreamed that it was our own modest and self-effacing Horace. Upon making further inquiry around town we found that Horace had made very careful preparation to win this tournament. Not feeling entirely confident of his own equipment, he proceeded quietly to borrow certain golf clubs here and there which had proven their worth in previous matches. For instance, he took with him John Wetzel's famous brassie and Jack Newell's deadly mashie, as well as others, reinforcing the whole with Henry Rose's well known golf vocabulary. With such excellent equipment plus his far famed prowess as a golfer, Horace was well prepared to win the crown.

(Since writing the above we have received a more recent edition of the "Picayune" containing the scores of the tournament. It seems that for the 36 holes Horace's mark was 275 and his handicap 86. No wonder he won!)

### THEY HEAD WYNNEWOOD PONY AND DOG SHOW

Upper: Mrs. Clarence A. Warden, Mrs. Pierce Archer and Mrs. Thomas J. Dolan, of the Executive Committee. Lower: Mrs. William J. Clothier, chairman. The show will be held on the Ashton Estate, Wynnewood, May 15 and 16.

### BIG EVENT IN MAY

Society's greatest outdoor event of the year, the Wynnewood Pony and Dog Show, will be held this year for the twelfth time on the Clothier and Ashton estates, May 15th and 16th.

Philadelphia, Main Line and Delaware County society, matrons and the younger set, numbering more than 1,000, will be in charge of the two-day affair, while, based on last year's figures, more than 12,000 persons are expected to attend.

Several changes have been made this year. Instead of a one-day show, a two-day program has been arranged. The first day will be devoted entirely to the dogs and the second to the ponies. More than 400 pedigreed dogs from 29 States already are entered, while the ponies from 31 nationally known stables are listed. J. Stanley Reeve has offered a cup this year for girls who ride side saddle, the first of its kind ever offered in this country.

Mrs. William J. Clothier, of Wynnewood; Mrs. Herbert L. Clark, of Overbrook, and Mrs. Alexander C. Yarnall, Haverford, the chairmen of the shows, announce that a monster midway will be constructed with circus side-shows, cabarets and all manner of entertainments. Forty booths, in charge of young society women, will offer all manner of articles. The younger set, under Phyllis Walsh, will stage a cabaret during the dinner hour. The largest open-air dance floor ever built in the East will extend from the Ashton mansion to the Midway. Proceeds of the show will be given to charity.

The following committees have been selected:

Executive Committee—Miss Anne B. Townsend, secretary; Mrs. Pierce Archer, treasurer; Mrs. Thomas G. Ashton, Mrs. Thomas J. Dolan, Mrs. Cooper Howell, Mrs. Victor C. Mather, Mrs. W. ## SCHOOL~

The little crossroads schoolhouse held only a score of pupils. In case of fire, exit was easy for all.

Today our schools literally turn away pupils, often working many classes in morning and afternoon shifts. Despite constant fire drills we frequently have appalling disasters from such crowded buildings. Suppose one of the victims was your child.

A school building of concrete being fireproof is not only safe for children, but also safe for the taxpayer's money—for it is permanent. And in first cost it is but 6% more than one of impermanent materials. Ask your building material dealer to demonstrate to you what is true building economy. He knows.

# Rates and Returns

The millions of dollars' worth of telephone property in Pennsylvania represent investment savings of the people of Pennsylvania. A hundred and twenty-five thousand such investors live in this State.

In putting their money into the telephone business they had faith that the people of Pennsylvania would pay reasonable rates for good telephone service.

As the telephone business ex-

pands it is necessary to go to this same public and ask them to invest additional funds. We can secure that money only so long as rates for telephone service are such as to allow an adequate return on the money invested.

The present rates do not so allow.

That's why we are asking the very same public at this time for a moderate increase.

In other words, we are asking "of the public, for the public."

Sunday School Services at 11 A. M.  
Wednesday Evening Testimonial Meeting at 8 P. M.  
Reading Room, 19 W. Lancaster Ave., daily, 12 to 4.30 P. M.  
The subject of the Bible Lesson sermon for April 13th will be "Are Sin, Disease and Death Real?"

### HOLY TRINITY LUTHERAN CHURCH

M. E. McLinn, Pastor.

Regular services Sunday, April 13, 1924:  
Sunday School and Bible Class at 9.45 A. M.  
Morning service at 11.00 A. M.  
Evening service at 7.45 P. M.  
Theme in morning: "The Coming King."

At the evening hour a special service will be held. The Choir will render suitable music. There will be congregational singing of enlivening hymns. Minsters and laymen will make short addresses, and decorations for "Palm Sunday" will be beautiful and elevating.

On last Sunday the services were all inspiring and delightful; a most helpful and instructive session of the Sunday School was held. Dr. Mackensen, the Mission Secretary, taught a Bible Class, and preached in the service following. His sermon was eloquent and deeply impressive, and there will be a deeper missionary spirit in consequence. It was a day of rich spiritual blessing and seed sowing. May the Lord water and produce a glorious Harvest.

### THE PRESBYTERIAN CHURCH

Rev. John Van Ness, Minister.

Meetings for next Sunday, April 13:  
9.45 A. M.—Bible School.  
11 A. M.—Morning worship. Baptism and public reception of new members. Celebration of the Lord's Supper. Communion Address: "The Blood Covenant." During the hour of morning worship the Junior Church is in session in the lower room and the Nursery is maintained in the upper room.

6.45 P. M.—Christian Endeavor meeting led by John Havicek.  
7.30 P. M.—Evening worship. The Triumphal Entry of our Lord will be presented both in sermon and song.

### Church Notes

Special meetings will be held during the coming Holy Week on Wednesday, Thursday and Friday evenings. On Wednesday evening Dr. S. Z. Shupe will speak on the theme: "From Eternity to Eternity." On Thursday evening the message will be delivered by Dr. H. W. Bieher, pastor of the Cynwyd Presbyterian Church, and on Friday evening, (Good Friday) members of the Christian Endeavor Society will present a character sketch of Pontius Pilate, to be followed by an address by Mr. Van Ness.

On Easter Sunday there will be special music in the morning, and in the evening an augmented chorus will render the beautiful Easter cantata, "From Death into Life."

### NARBERTH METHODIST EPISCOPAL CHURCH

Rev. W. Sherman Dawson, Pastor

Sunday, April 13th:  
9.45 A. M.—Sunday School.  
11.00 A. M.—Morning worship. The chorus choir will sing "Praise the Lord, O Gates," from Stainer's Crucifixion.  
6.45 P. M.—Epworth League meeting.

7.45 P. M.—Evening worship. The chorus choir will sing "From Olivet to Calvary," by Maunders. This is an impressive cantata.  
Wednesday at 8.00 P. M.—Church prayer meeting. "The Pulse of the Church."

### BAPTIST CHURCH OF THE EVANGEL

Rev. Avery S. Demmy, Pastor  
Services Sunday, April 13:

9.45 A. M.—Sunday School. Classes for all grades.  
11.00 A. M.—Morning worship.  
7.00 P. M.—Young People's meeting.  
7.45 P. M.—Evening worship.  
Our quartette will render special music at the morning and evening services.

A. M.—Quartette, "Ride On! Ride On!" Scott; bass solo, "There is a Green Hill," Gounod; contralto solo, "Gethsemane," Salter.

P. M.—Quartette, "Jesus, Word of God Incarnate," Gounod; quartette, "Daughters of Jerusalem," Elvey.

Preparation is being made for Easter Sunday. The quartette will sing special Easter music both morning and evening and at 2.30 P. M. the Sunday School will have their Easter program.

Thursday, April 17, 6.30 P. M.—Tenth annual banquet of the Men's Association, in the dining room of the church. The speaker of the evening will be Rev. Edward B. Pollard, D. D., of the Crozer Theological Seminary.

## Choral Concert

(Continued from Page 1)

founded, so has his successor opened up new fields in his effort to perpetuate the steady scale of progress to which he felt heir. His further endeavors will be anticipated with pleasure.

In its many concerts given both in our town and elsewhere, the Choral has always been fortunate in the fine quality of its assisting soloists. Grisha Monasevitch and his masterly performance on the violin will not suffer from comparison with any of them. Seldom is an audience more intensely delighted than were the "faithful six hundred" who listened to the "Souvenir de Moscow" by Wieniawski. And in passing it is a pleasure to note the versatility of Mr. Bentz in his work as accompanist for the solos.

Instead of a rehearsal this week, the society voted to do some "missionary" work and repeat the program at "The Lighthouse," a center for settlement work in Kensington. They will meet in front of the Y. M. C. A. at seven o'clock on Saturday night and go over by automobiles. Regular rehearsals will be resumed next week and the plans for the next concert announced, as well as the program to be given at the celebration of the 200th anniversary of the Fairview Sunday School during the second week in May.

The singers who participated in the Ardmore concert were:

## Looking Ahead

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.

## We are doing again what we did in January—Reducing the price of coal

We gave the coal buyers of West Philadelphia and vicinity the benefit of lower prices in midwinter, when coal was scarce and demand was brisk, instead of waiting till Spring.

We are again lowering prices to encourage Spring buying and to save our customers from higher prices and perhaps a shortage of popular-sized coal next Fall and Winter.

Those who took our advice last Spring saved money. As a matter of fact, more coal was put into cellars last Spring than in many years. Even this early buying did not entirely prevent a shortage of domestic

sizes—the evidence being that certain operators were able to command premiums of from \$1 to \$3 a ton—which, of course, was reflected in the retail price.

This condition is bound to occur again in the Fall, unless there is more consistent buying during Spring and Summer.

For these reasons we recommend that our customers buy coal early.

Compare our prices as shown in the panel below. And, remember also, that we are still giving 50c a ton off for cash, allowing charge customers cash prices if paid within 5 days.

## KUNKEL'S APRIL PRICES

|       | Charge price                    | (chuted in) | Cash price |
|-------|---------------------------------|-------------|------------|
| Egg   | \$14.50—Less 50c a ton for cash |             | \$14.00    |
| Stove | \$14.75—Less 50c a ton for cash |             | \$14.25    |
| Nut   | \$14.75—Less 50c a ton for cash |             | \$14.25    |
| Pea   | \$11.00—Less 50c a ton for cash |             | \$10.50    |

You can buy coal from us on a weekly pre-payment plan and have the present price guaranteed. Let us tell you about this plan.

### BOOK REVIEWS

"The Interpreters House" is by Struthers Burt, a well known poet and the author of many short stories, although this is his first novel. The book has already had a big sale and will be much talked about. It is the story of an American family and their friends, and the scene is New York City. Gulian Eyre, the youngest member of the family, returns after several years of wanderings and views as through a telescope the seemingly queer workings of human beings, and the many mistakes and mixups which occur daily in people's lives. The family is a very interesting one, and when Gulian philosophizes, he sets one thinking.

"L'Entente Cordiale des Bebes," by E. Gutch, needs no explanation. It is all in the title. It may have been written principally for children, but grown-ups will be allowed to borrow it, to try out their French. If one is not very good at translating, there are pictures which will help one out with the text. Just say, "May I have 'L'Entente Cordiale des Bebes'?" and the Librarian will say, "Oui, oui."

"The Story of a Great Schoolmaster," by H. G. Wells, is an account of the life of F. W. Sanderson, an Englishman who had a great love for teaching and who felt that he should do what he could to reconstruct the present school system. He says: "One of the main aims of a good school is to see that each boy and girl is cared for, that each has every opportunity for development. We must not cast out or send our weak ones away, we must keep them in school—we must find out what kind of work will appeal to them, so that they too may move upwards, gain in self-respect and love of life." The book will appeal to all who are interested in child training, vocational education and the betterment of social and industrial conditions.

"Man and Mystery in Asia," by Ferdinand Ossendowski, author of "Beasts, Men and Gods," is a book of travel. Dr. Ossendowski has put in book form the strange experiences of four Asiatic expeditions. The titles of three of the chapters give some idea of the thrills to be found on these pages. One chapter is called, "A Battle of Tarantulas," another, "A Ride with a Tiger," and "A Duel with a Bear." This book is full of adventure for those who find pleasure in journeying into new and strange places.

"Behind the Screen," written by Samuel Goldwyn, tells in its opening chapter how Goldwyn and his brother-in-law, Lasky, started in to produce five-reel pictures. Up until that time only short pictures had been shown. However, many of the present film stars were already on the way to fame and the book is filled with interesting pictures and instances in the lives of movie actors.

Baseball season will open soon in Narberth.

### LOCAL LEGION POST TO GIVE SHOW

Auxiliary to Help by Participating  
Plans are under way for the Legion show which is to take place May 9th. This year the Ladies' Auxiliary will be included in the cast, and it is confidently predicted that the show will be a knock-out. There have been rumors floating hither and thither around the old friend Clarence, the Narberth Nightingale, is resting up somewhere in the wilds of New Jersey for the coming ordeal. At any rate, he is missing from his ordinary rounds for a few days. Commander Fretz, who disappointed the vast throngs of last year by failing to sing "Women," was very non-committal when interviewed by your correspondent. As far as we can ascertain at this early date, he is seriously considering repeating his song hit of two years ago. In the event that he does not do this, the committee has assured us that his selection shall have a decidedly sentimental trend. This, Dear Reader, is our bid to the flapper trade.

Ted Weems had better look to his laurels! Ed. Wipf and Ray Weiss are going to give him a good run for his money. It is not necessary to tell any Narberth audience about this aggregation of jazz artists. We are just remarking that they will officiate.

Miss Augusta Witherow will direct the entire show. This announcement gets the show off with a flying start before the first rehearsal!
